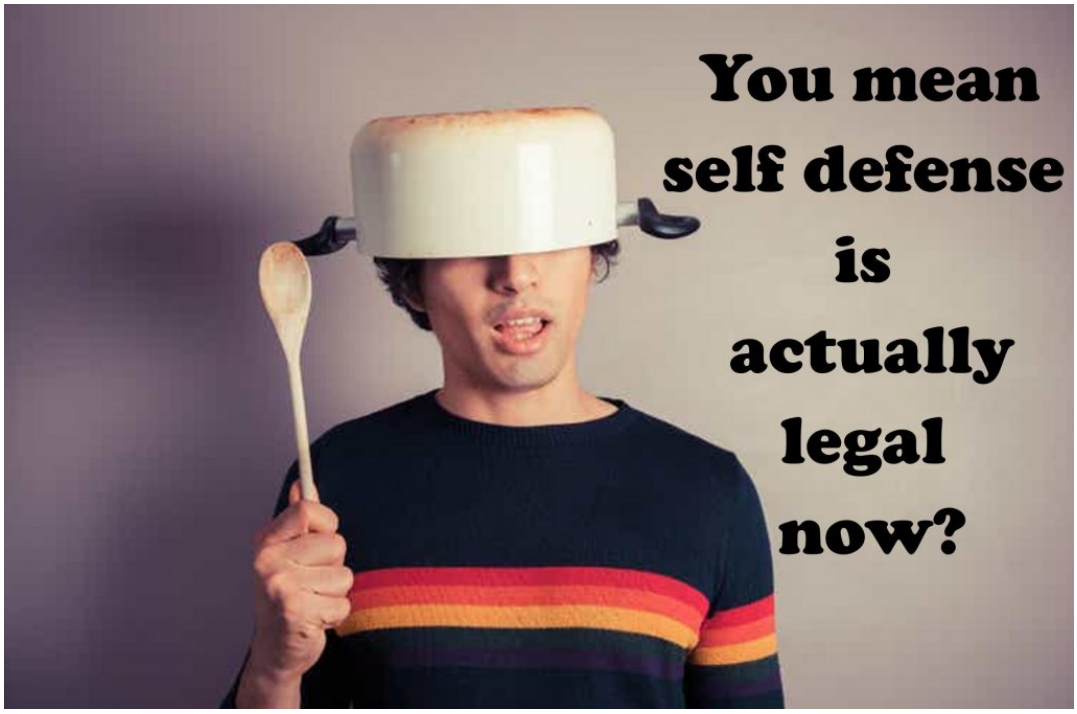
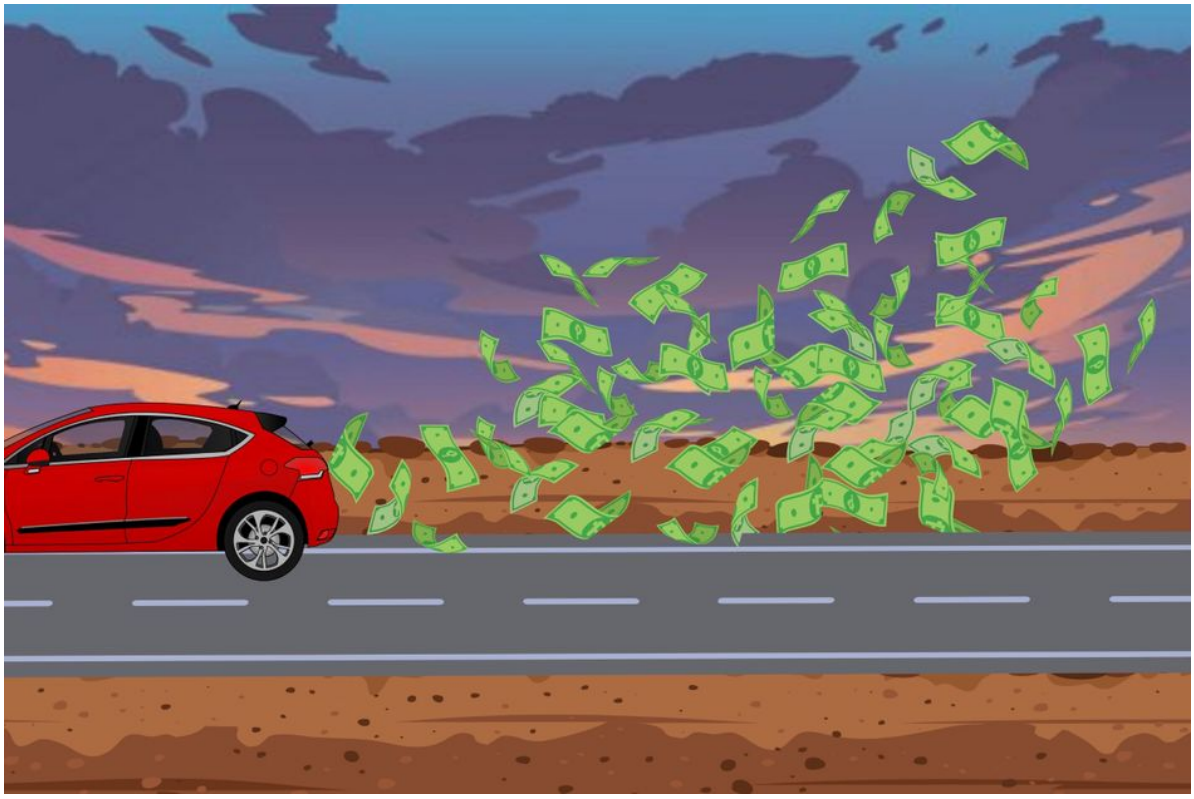
SKYE'S LINKS 09/05/24



A Second Amendment win, from a surprising court:

Massachusetts Supreme Court: Switchblade Carry Ban Violates 2A



Robbie Starbuck shines again! Ford to ditch most DEI:

Ford Becomes Latest American Company to Back Off 'Woke' Policies

Unfortunately for us, Trump is a Populist, not a Constitutionalist:

GOP Rep. McCormick: Trump's IVF Proposal Would Be 'Very Expensive' or Hike Insurance Premiums

Tim Walz has had a long and extensive relationship with CCP sponsored entities:

Biden-Harris Pentagon Stonewalling Congress, Media on Walz's China Travel

Elon plays hardball with Brazil's totalitarian Supreme Court Justice:

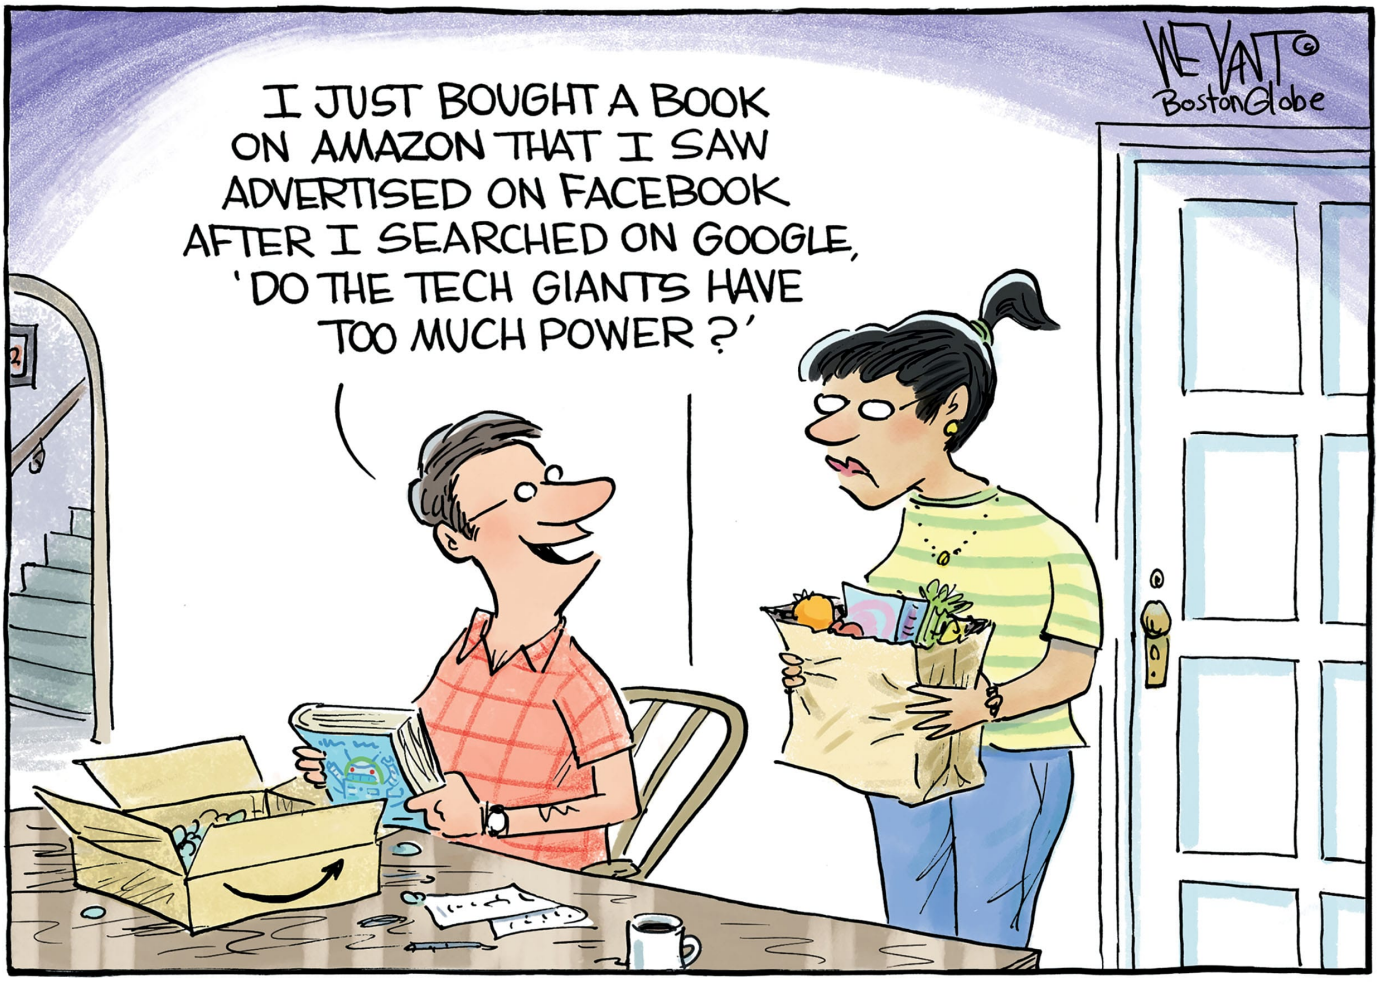
Elon Musk's Starlink Defies Brazilian Court Order, Refuses to Block X in Country

More here:

[Newly Launched X Account Exposes Illegal Orders from X-Banning Brazilian Judge]

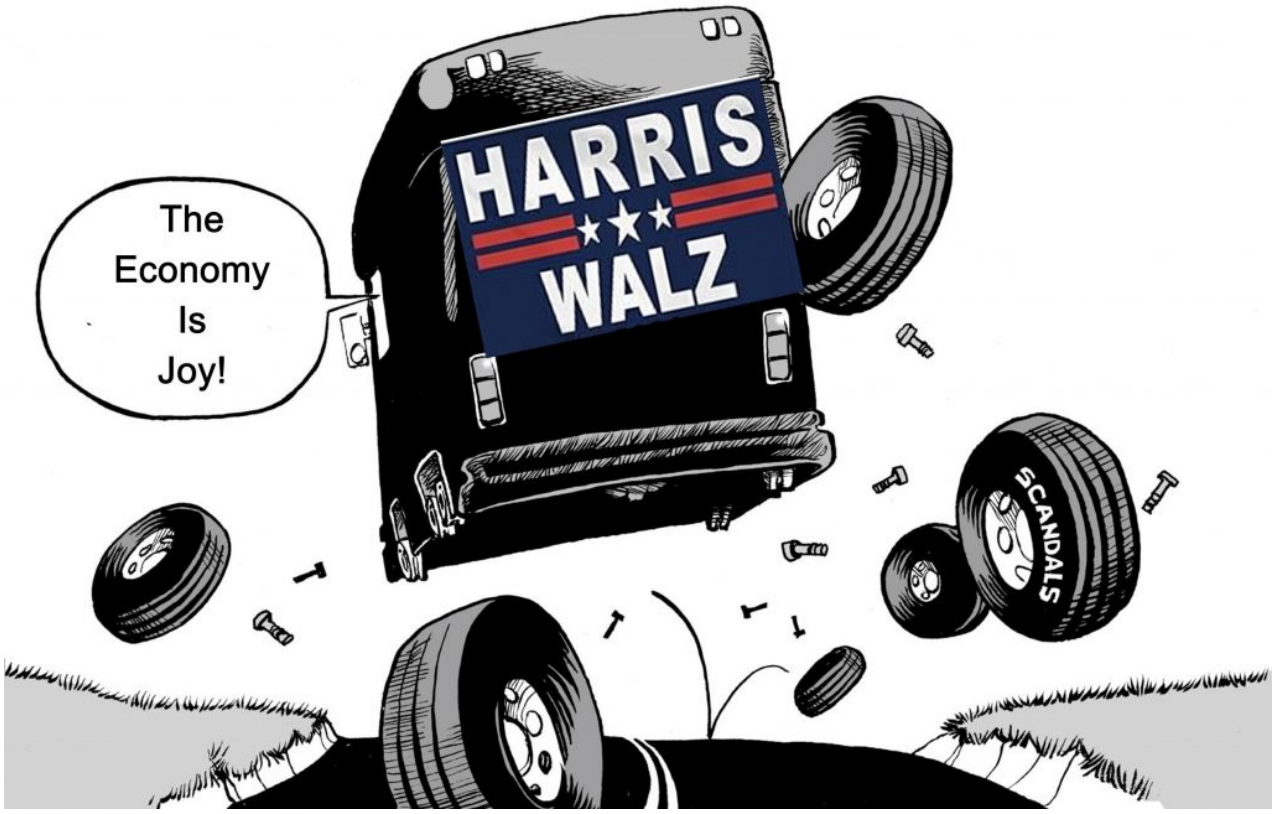
The US Deep State hates Musk's free speech X just as rabidly, but we still have a real Supreme Court:

[Turley: Robert Reich's Call To Arrest Musk Is "Siren's Call Of Every Authoritarian"]



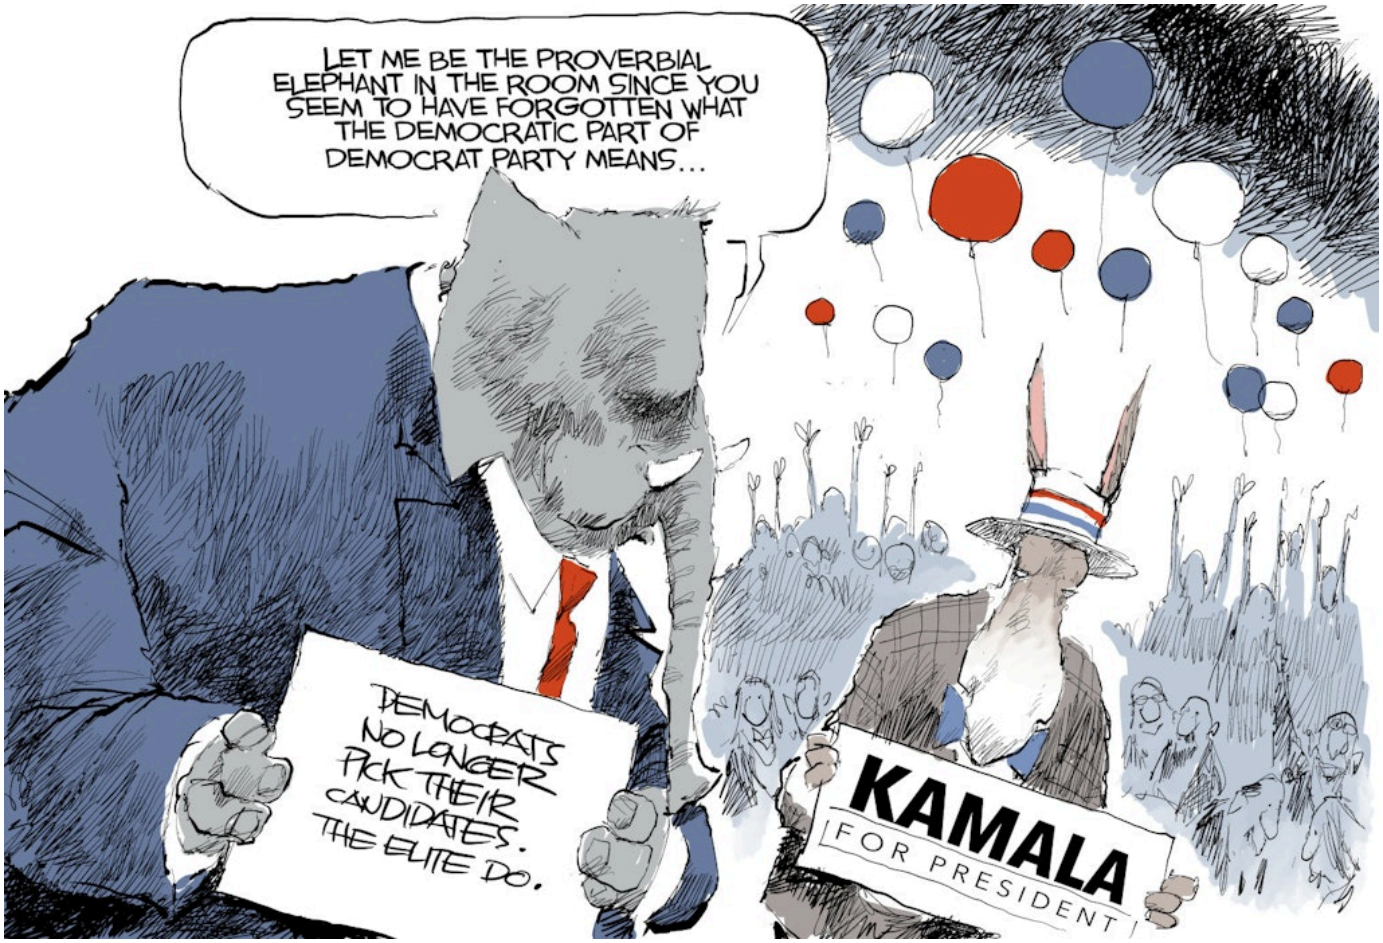
Big tech really is spying on you. Be wary of downloading apps, especially "free" ones. You are their product:

[Media Giant CMG Bragged About Eavesdropping On Phone, Laptop, Or 'Smart Home' Microphones]



The economy is a mess. That will encourage the Fed to lower interest rates, which will boost inflation. It will also prevent a malinvestment clearing recession:

Breitbart Business Digest: The Wheels Are Coming Off the U.S. Economy



The USA has experienced its first coup, in plain sight, and no one seems to care.

“Seven Days in July”: Trump is Correct About the “Coup”

Now, that Biden no longer has preferred status, Disney feels free to present him more realistically in the Hall of Presidents.

Walt Disney World Updates Hall of Presidents
